

Hellenic Terminal Areas & EasyTAXI charts update for AirNav Pro

Date published: 1 August, 2016

Update of “Hellenic Terminal Areas & EasyTAXI charts” is available for the Air Navigation Pro.

To download and install the update, open Air Navigatio Pro application on you iPad or iPhone and go to Configuration > Add-ons (Map Store) > Installed products. Under APPROACH CHARTS SUBSCRIPTIONS the “Greece Hellenic Terminal Areas and EasyTAXI Charts” has a red dot on the left meaning there is an update available. Click on the line and select Install Updates.

Please note that this is a free update.

Additions: Skiathos TMA, Skyros TMA, Mitilini TMA
